

**Solicitation Number: 2018-017-RFP**

**Addendum Number: 2**

**Development & Implementation of a Safety Management System**

**Due Date and Time: February 12, 2018 at 1:00 pm Arizona time**

***A signed copy of this addendum must be included with proposal or bid.***

The following questions were received in writing prior to the deadline:

**Q** - Please confirm that Team projects can be included to satisfy the requirements under section 3.b under the Submittal Requirements (C) page 9.

**A** - This is acceptable.

**Q** - On page 9, section #2 (General Company Information) under Submittal Requirements the RFP states a maximum of 2 pages of information is allowed for this section. However, this section is not listed on page 11 (Section 2, under Submittal Instructions) as one of the exclusions from the 14-page limit. Does this mean that there will be a total of 16 pages between #2 (General Company Information) and #3 (Qualifications Criteria) or is the 14 pages limit include both sections?

**A** - The Cover Letter and General Company Information do not count toward the 14-page limit, however, they each have a maximum page limit themselves.

“General Company Information” is hereby added to Section 2E, Submittal Instructions, subsection number 2 as “i” in the list of items not included in the page limit.

ALL OTHER PROVISIONS OF THE SOLICITATION SHALL REMAIN IN THEIR ENTIRETY.
